

## Hispanic Heritage Month - September 15 - October 15, 2024

Hispanic Heritage Month celebrates the cultural contributions and heritage of Hispanic and Latino Americans. The month-long observance begins on September 15th, the anniversary of independence for several Latin American countries, including Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua. Hispanic Heritage Month provides an opportunity to recognize the diverse histories, cultures, and traditions of Hispanic and Latino communities, as well as their significant impact on American society.
